BEVERAGE SERVICE

Event hosts have three different beverage service options: hourly, consumption or cash bar.

Hourly Service: Charges are based on hourly fee per person for entire confirmed headcount. All bars include house wines, assorted imported and domestic beer, bottled water, juices and soft drinks. Pricing does not include wine served with a plated meal or champagne toast (both are billed based on consumption).

Consumption Service: Charges are based on the amount consumed in the length of time the bar is open or service is provided.

Cash Bar Service: A cash bar is available upon request for additional set up fees.

Prices do not include NC or SC State Sales Tax and 20% Service Charge.

All bars include house wines, assorted imported and domestic beer and soft drinks.
Please ask your Catering Director about cordial service and additional wine selections.

Please ask your Catering Director about cordial service and additional wine selections.

Bartender fee is priced per hour per bartender.

Prices do not include NC or SC State Sales Tax and 20% Service Charge.
